## 1. IS THERE A GENERAL ORDER THAT GOVERNS EFILING?

No. eFiling is governed by [Code of Civil Procedure \(CCP\) §1010.6](#), [California Rule of Court \(CRC\) §2.250 – 2.261](#), and the [Superior Court of California, County of Madera Local Rules of Court, Division 6](#). The Court suggests that litigants read these resources before reviewing the frequently asked questions (FAQ).

## 2. HOW DOES EFILING WORK?

Electronic filing of court documents occurs through an electronic filing service provider (EFSP). The user creates an account and the eFiling system manages the flow of the documents to and from the Court. The filer will submit the documents and fees to the EFSP for submission to the Court. The Court will accept or reject the documents. The documents are returned to the EFSP for return to the filer through the EFSP's electronic filing portal.

## 3. IS EFILING MANDATORY?

No. eFiling is not mandatory at this time.

## 4. I AM A SELF-REPRESENTED LITIGANT. DO I HAVE TO EFILE?

Self-represented litigants are not required to file documents electronically; however, they may choose to do so if desired.

## 5. WHAT ARE THE TECHNICAL REQUIREMENTS FOR DOCUMENTS BEING EFILED?

Please refer to the [Superior Court of California, County of Madera Local Rules of Court, Division 6](#). This section sets forth all the Court's requirements for the formatting of the documents.

## 6. HOW DO I SUBMIT DOCUMENTS EXEMPT FROM EFILING?

Except for lodged documents in support of a motion, documents that are exempt from eFiling can be submitted for filing in person at the Clerk's Office of the Civil Division of the courthouse or by mail. Court office hours are 8:00 a.m. to 3:00 p.m., Monday – Friday, excluding Court Holidays. There is also a drop box available outside of the Civil Division on the Fourth Floor. Please refer to the [Superior Court of California, County of Madera Local Rules of Court, Division 6](#), Chapter 2, for more information on documents exempt from eFiling.

## 7. IS EFILING THE SAME AS FAX FILING?

No. eFiling is not the same as fax filing. For eFiling, the filing party must submit the documents electronically through an EFSP. For fax filing, the documents are scanned and sent over via a fax machine or an electronic fax.

## 8. IS FAX FILING STILL AVAILABLE?

Yes, Fax filing will still be available.

## 9. CAN I USE MY PERSONAL COMPUTER TO EFILE?

Yes. You can use your personal computer to submit filings through an EFSP. You will use the internet to select the EFSP and submit your documents for filing. You will upload the document as an attachment. For instructions, refer to your EFSP's website.

## 10. IF I DECIDE TO EFILE, DO I HAVE TO USE AN EFSP?

Unless you are filing Domestic Violence (DV) and Gun Violence (GV) related filings, an EFSP must be used for eFiling. The Madera Superior Court only accepts electronically filed documents in Civil, Family Law, Probate, and Small Claims (excluding DV/GV filings) indirectly using independent EFSPs. You can find a list of approved service providers on the Court's public website at: <https://www.madera.courts.ca.gov/>. Please visit <https://www.madera.courts.ca.gov/online-services/efiling-dvgv-petition-case-information> for additional information regarding electronic submission of DV/GV related documents.

## 11. WHICH EFSP CAN I USE?

You may use any EFSP listed on the Court's website. You may view the EFSP list at: <https://www.madera.courts.ca.gov/>.

## 12. WHY DO I HAVE TO REGISTER FOR AN ACCOUNT WITH AN EFSP?

Registration with an EFSP is required to establish an account for your electronically filed documents. Your account will allow you to check the status of your electronically filed documents and will provide a path for the Court to return your documents to you.

## 13. CAN I CHANGE MY EFSP AFTER I HAVE CHOSEN AND REGISTERED WITH ONE?

Yes. You may choose any approved EFSP. You may change to a different service provider at any time. Selecting and using an EFSP is like using an "attorney service" for filings, except the filings are processed electronically.

## 14. IS THERE A COST TO EFILE?

Yes. The eFiling Manager (EFM) and the EFSP will charge for eFiling and all fees are collected by the EFSP when the filing is submitted. The EFM is an intermediate system that receives filings from multiple EFSPs and processes them for the court staff to view and manage. The maximum charge for the EFM is \$3.50 per filing (unlimited documents). EFSPs have different provider fees, depending on the services being requested at the time of filing. Please refer to your selected EFSP for their provider fees. These fees are in addition to the EFM fee, and the filing fees charged by the Court. Refer to the [Court's official fee schedule](#) for more information about filing fees. **There are no transaction charges for parties who are requesting or have been granted a fee waiver nor Government Code section 6103 agencies (i.e. the state or any county, city, district, or other political subdivision, or any public officer or body, acting in the public officer's or body's official capacity on behalf of the state, or any county, city, district, or other political subdivision).**

## 15. ARE EFILING FEES RECOVERABLE?

eFiling fees may be recoverable pursuant to [Code of Civil Procedure §1033.5](#).

## 16. WHAT TYPES OF PAYMENTS DO YOU ACCEPT?

Payments are made via the EFSP. Please check with the EFSP of your choosing for specific information regarding payment types.

## 17. DO COURT-APPOINTED ATTORNEYS HAVE TO EFILE AND PAY THE FEES FOR EFILING?

Absent a fee waiver or exemption under Government Code section 6103, fees are required for all filings, including filings from court-appointed attorneys.

## 18. ONCE I EFILE A DOCUMENT, WHAT IS THE TIME FOR PROCESSING?

Turnaround time will depend on the type of document submitted. The Court attempts to confirm the filing or receipt of documents within two (2) business days. Proposed orders, writs, abstracts, and other documents requiring review and/or further action by the Court may take longer than two (2) days to process. Documents submitted with appropriate fees and free of defects that do not require a signature from the Court will be filed as of the date the document was received.

## 19. ARE MY EFILED DOCUMENTS PRINTED FOR THE COURT FILE?

No. Documents that are electronically filed and accepted by the Court are automatically uploaded to the Court's case management system. This allows court staff and judicial officers to electronically view the case documents without printing the documents or maintaining physical court files. The electronic record is the official court record pursuant to [Government Code §68150\(a\)](#).

## 20. WHAT ARE THE FILING HOURS FOR EFILING?

You may submit your filings electronically 24 hours a day. Any eFiling received by the Court before midnight will be deemed received or filed on the same business day if accepted. Any eFiling submitted after midnight will be deemed received or filed as of the next business day if accepted. You may check with your EFSP if you have questions about the timeliness of your submission.

## 21. ARE DOCUMENTS AVAILABLE TO THE PUBLIC UPON SUBMISSION OR UPON PROCESSING?

Yes. Filing parties may view submitted documents immediately through their EFSP's portal. All other parties will be able to view a 'Filed' or 'Issued' document via the 'Public Portal/Online Case Info' link on the Court's website, or on public terminals located in the courthouse. Access is subject to the requirements of the California Rules of Court Title 2, Division 4, Chapter 2, beginning with [§2.500](#). A document is not considered filed until a 'Filed' stamp is affixed by the Court. However, unlimited civil complaints will be available to the media upon submission, prior to review for acceptance by the Court.

## 22. DOES THE COURT HAVE A POLICY REGARDING DOCUMENTS EFILED ON THE LAST DAY?

No. Statutory requirements apply for preservation of any statute of limitation on filings, including those submitted electronically. eFiling does not change the "last day to file" requirements.

## 23. WHAT DO I DO IF MY DOCUMENT IS REJECTED?

Any Notice of Rejection sent by the Court will include the reason for the return of the document. If your document is rejected, correct the deficiency, and resubmit the document via eFiling. If the document is not timely filed because of the rejection or filing error, you will need to apply to the Court for relief or other corrective order.

## 24. WHAT IS AN "ELECTRONIC ENVELOPE"?

An Electronic Envelope is a transaction containing one or more PDF documents submitted through the EFSP to the court for filing or processing.

## 25. WHAT IS A "FILING DOCUMENT NAME"?

A Filing Document Name (also known as Document Code) refers to the type of filing (e.g., answer, demurrer, motion, etc.) and is displayed by the EFSP to its users to properly designate the document(s) upon submission. Using the correct Filing Document Name is extremely important as it determines the appropriate fee and court workflow. The court has made every effort to develop a comprehensive list of document names that closely match the types of documents that may be submitted and are displayed in the drop-down menu when entering filing information in the EFSP.

## 26. WHAT IF I CANNOT FIND THE DOCUMENT NAME FOR THE DOCUMENT I AM EFILING?

If the document you are eFiling is not specified in the list of document names, you must use the name of the document that most closely describes your filing. Some EFSPs may allow you to use a generic document name with name extension and fill in the name extension field. For example, use "Motion (Compelling Compliance)" or "Brief (on Attorney's Fees)" and add the specific title of your document. There is also a comments field if you need to include any additional explanation for the eFiling staff. Please contact your EFSP if you believe the document type needed is unavailable.

**Please be advised that using an incorrect document name/name extension may result in rejection, incorrect filing fees assessed and/or incorrect routing of your document.** For example, if you are attempting to eFile a "Motion for XYZ" and you select "Brief (Name Extension)" as the document name, your submission would be rejected.

## 27. ARE ANY DOCUMENTS EXEMPT FROM EFILING?

Yes. Please refer to the [Superior Court of California, County of Madera Local Rules of Court, Division 6](#), Chapter 2, for more information on documents exempt from eFiling. In addition, any copy requests including certified copy requests and certificates of no appeal are exempt from eFiling.

## 28. WHY IS A “LEAD DOCUMENT” NECESSARY?

If multiple documents are submitted in one transaction, the Lead Document is the one that is most important. For example, if you are filing a motion with a supporting declaration and a proof of service, the motion would be the lead document. It is important to properly identify the lead document as this will affect the priority and timing for processing by the Court. Also, it ensures that the document is directed to the appropriate location or court personnel.

## 29. WHERE DO I FIND MY TRANSACTION NUMBER?

The transaction number appears as the “Reference Number” or “Court Transaction ID” on your confirmation of filing. Please be prepared to provide this number if contacting the Court for information on a pending submission.

## 30. WHAT IS A “BOOKMARK” ON A DOCUMENT?

A bookmark is a PDF document navigational tool that allows the reader to quickly locate and navigate to a designated point of interest within a document. A description will be required for each bookmark, such as was the case in paper documents when using Tabs to label attachments. An example is as follows: "Exhibit P - Dissomaster Printout"

## 31. WHAT IS A “HYPERLINK”?

A hyperlink is an electronic link that provides direct access from one distinctively marked place in a hypertext or hypermedia document to another in the same or different document.

## 32. WHERE IS THE “FILED” STAMP LOCATED ON AN EFILED DOCUMENT?

The Court is utilizing a filed stamp which will appear on the top of the first page of the eFiled document returned to the electronic filer (eFiler) through the EFSP. If a document is received, a received stamp will be placed on the top of the first page.

## 33. HOW WILL I KNOW TO WHICH JUDICIAL OFFICER MY CASE IS ASSIGNED?

A new filing receives the assigned case number and judicial officer assignment upon acceptance of the filing pursuant to the [Judicial Assignments Orders](#) issued by the Presiding Judge. These Orders are available for inspection on the [Madera Superior Court website](#) and onsite at the courthouse.

## 34. HOW DO I OBTAIN AN ORDER FOR APPOINTMENT OF GUARDIAN AD LITEM?

If your case requires the appointment of a guardian ad litem (GAL), the application and proposed order must be submitted with the initial complaint. Once the GAL is approved by the Court, the summons may be submitted for issuance by the clerk.

## 35. WHAT HAPPENS IF I SELECT THE WRONG COURT FOR FILING?

Your electronically filed document will be rejected and electronically returned to you through the EFSP for correction and resubmission with the proper filing court indicated.

## 36. CAN I EFILE A COMPLAINT OR PETITION WITH A FEE WAIVER APPLICATION?

Yes, the initiating document and fee waiver application will be processed at the same time. These documents must be submitted in the same envelope.

### 42. WHEN SHOULD PROPOSED ORDERS BE EFILED SEPARATELY?

Any motion, request, or application (including an ex parte application) should have the proposed order included in the same envelope. The proposed order must be a separate PDF document. (Judicial Council Forms excepted).

Please refer to the [Superior Court of California, County of Madera Local Rules of Court](#), Division 2, Chapter 4 for more information.

#### 47. CAN I EFILE A CONFIDENTIAL DOCUMENT?

The filer may not establish a document's security level. In other words, a document submitted as "confidential" by the filer will only become confidential pursuant to legal authority or if that determination is made by the Court. For example, a limited civil unlawful detainer complaint would automatically be filed as a confidential document pursuant to Code of Civil Procedure Section 1161.2. #### 61. I AM A LEGAL SERVICE PROVIDER, CAN I EFILE ON BEHALF OF FILER?

## 62. WHAT ARE COMMON REASONS FOR REJECTION?

In addition to failing to follow California Rules of Court rules 2.100 et seq., some common reasons a filing may be rejected by the Court include, but are not limited to:

However, you can select an option to opt-in to electronic service when submitting an electronic filing through an EFSP.

## 69. DOES IT MATTER WHAT DPI (DOTS PER INCH) IS USED WHEN SCANNING A DOCUMENT?

Yes. The Trial Court Records Manual recommends 300 DPI resolution. DPI refers to the output resolution of the scanner when a document is scanned.
